Dear Lily,

I feel so sorry to know that you've been going through a hard time. But don't worry. Many people have had this experience, including me, but fortunately I overcame it eventually. Maybe the following advice will be of help to you.

It's very important to express our true feelings, especially to a real friend. Why not try to talk with the girl calmly and tell her you don't like such jokes? If this doesn't work, be yourself and make friends with those who truly like and respect you.

Remember I'm always by your side. I do hope that you're getting better, so feel free to write to me when you have any problems.

Yours,

Li Hua
