短文改错

There are basically two ways to get work (1)do. One is working (2)individual and the other is working in (3) team. Some people prefer to (4)working by themselves, because they are sure they can successfully work out the problems (5)with others' help. Other people (6)likes to work with others. By doing so, they can exchange (7) idea and learn from each other. Personally speaking, I'd like to work with others for such reasons. Firstly, it can make me get along well with others. Secondly, the solutions of teamwork are usually better (8)rather than (9) that of a single person. Besides, I can improve my abilities, such as (10) what to cooperate and communicate.

Notice

An English Drama Contest is to be held in our school on the afternoon of May 7th at the conference hall. It will be a good chance for you to enjoy the beauty of English and practice your oral English. Besides, you will have lots of fun in designing and performing your plays. It will be a great opportunity for you to meet and make new friends.

Here are some basic rules. First, you can write a play by yourselves but an adaptation is also acceptable. Second, your play shouldn't be longer than 20 minutes. If you are interested in performing plays, please submit your application to the English Club before April 30th, 5:00 p.m.

You are welcome to join in and enjoy it!
